G.O.Ms.No.870, Development dt/ 28.2.1947.
" 2760 -do- 25-6-1947.
From the Surgeon-General with the Govt.of Madras, No.47270-N, dated 26.7.1947.
From the Provincial Textile Controller Rc.No.113854/DC-3/47-Sp, dated 8.9.1947.

O R D E R:

On the recommendations of the Special Permits Committee constituted in G.O.Ms.No.870, Development dated the 28th February 1947, the Government in G.O.Ms.No.2760, Development dated 25th June 1947 authorized the Collectors of the districts to permit each nurse to buy mill cloth for two sarees or gowns, two bluses and two hoods. The Surgeon General has reported that the quantity of mill cloth allowed to each nurse is hardly sufficient to prepare at least the minimum number of uniforms required and recommended that a special permit for the purchase of 40 yards of mill cloth per year for making six sets of uniforms for each nurse may be granted. The Provincial Textile Controller however recommends that 25 yards of mill cloth for each nurse per year for making 4 sets of uniforms may be allowed. The Provincial Textile Controller has also suggested that in view of the scarcity of mill cloth, the nurses may be asked to use suitable handloom cloth or other varieties of cloth which have been excluded from the rationing scheme, in case more than four uniforms are required. The Government accept the Provincial Textile Controller's recommendation and direct that 25 yards of mill cloth be allowed per year for each nurse for making 4 uniforms. The Collectors are aurhorized to issue special permits accordingly.

2. The following amendment to G.O.Ms.No.2760, Development dated the 25th June 1947 is ordered:-

AMENDMENT.

In the statement in paragraph 2 of the G.O. against serial No.1 in column 3 for the existing entry against item (c) substitute "25 yards of mill cloth per year for each nurse employed."
